

**Invitation to the 6th International Creative Gathering of LifeNet
(Network for Life)
31 July- 4 August 2023, Horn-Bad Meinberg, Germany**

Dear friends of LifeNet,

We warmly invite you to the LifeNet International Creative Gathering from 31 July to 4 August 2023 in Horn-Bad Meinberg, Germany.

We feel a deep impulse to strengthen our relationships and expand our networks, as well as to ground ourselves more fully in our shared work. We look forward to experiencing our community in person and to engage in a creative dialogue where all the current initiatives and developmental possibilities of LifeNet can find expression. A creative LifeNet gathering has been organised every other year since 2008. However the previous one, which was originally scheduled to take place in Slovenia in 2020, was cancelled due to the world situation with Covid restrictions.

The Venue

A previous creative LifeNet gathering took place in Horn-Bad Meinberg in 2010. We are fortunate to have and greatly appreciate the Yoga Vidya Centre as a venue that can accommodate a large group. In addition, the megalithic monument Externsteine is located nearby, as well as a geopuncture circle dedicated to the 13 grandmothers of the indigenous peoples, created by the LifeNet Art Group in 2022. We plan to visit and share the experiences of these places.

Geomantic Location of the Gathering

Horn-Bad Meinberg, together with the Externsteine megalithic sanctuary, is placed at the central axis of Europe, which extends between Crete in the south and Iceland in the north. It is located in the region of Germany between Cologne and Berlin, which has a great potential to manifest the love sphere (philo-sphere) of Europe.

Programme - Practical Information

A LifeNet Gathering organising team is responsible for creating the framework to facilitate and support our experiences and dialogue. We will be meeting both in smaller groups and together in a large group. We welcome your participation and look forward to what you will bring to our shared experience. We wish to create a warm and welcoming space with each other in the Centre as well as in the greater landscape. We will spend the entire day on 3 August travelling by bus around the area to visit and experience these special places.
